### CURRENT SITUATION

*(Recent updates are posted at the top of Current Situation)*

The City of Riverside Fire Department is on scene of a vegetation fire in the river bottom. The fire is burning near the solar panels near the old dump. Cal Fire also responded a full brush assignment without aircraft due to the mutual threat to their jurisdiction. Riverside City arrived on scene and reported 1/4 acre on fire in the river bottom in heavy brush with a slow rate of spread. Riverside City has taken command of the incident, and is attacking the fire with assistance from Cal Fire. There are no aircraft assigned to the incident. Forward progress was quickly stopped by fire crews. The IC is anticipating the release of Cal Fire units in the next hour, with Riverside City units remaining on scene for additional mop-up. The cause of the fire is unknown. There have been no civilian or firefighter injuries.
